

5 Things You'll LOVE

about **WARD STEWART ELEMENTARY**

1

BUZZ TIME

For 30 minutes every day, your child will have the opportunity to learn through concentrated, small group instruction that is specifically designed for their knowledge and ability level.

2

PROJECT YES!

Snakes, bats, and frogs! Oh, my! **YOUTH ENVIRONMENTAL SCIENCE (YES)** is a collaborative partnership between SSD and MSU's Department of Wildlife and Fisheries that immerses our students in the world of science through hands-on learning experiences. Beginning in 4th grade, students who have a demonstrated interest in science have the opportunity to continue to grow their knowledge through the YES! Science Club, which is offered after school.

3

TECHNOLOGY

With three state of the art computer labs designed to accommodate individual students or a whole class, your child will have advanced technology at their fingertips.

4

REACH MS TIER 2 MODEL SITE

From good behavior to good manners, WSE celebrates positive behavior. WSE is one of only 4 schools in Mississippi to earn the distinction of Tier 2 Model Site. Be sure to look for WSE's Wall of Fame which spotlights students who display good character.

5

OUR TEACHERS

Student achievement cannot take place without great teaching. SSD teachers are recognized year after year for their dynamic teaching styles, earning numerous awards and honors, but most importantly, they seek to engage your child through innovative instruction in their classrooms every day, and they want you to be a part of that educational experience.
