

The Youth Environmental Science Program and the Starkville Oktibbeha Consolidated School

District Present:

SPACE CAMP

JUNE 5-9th, 2017

Monday-Friday Day Camp for rising 3-5th graders

The next best thing to space travel! Students will become immersed in the exploration of our galaxy and beyond. Activities include indoor star labs, solar telescopes, rocket science, and even a trip to a planetarium. The camp includes one overnight "camping" experience for adequate stargazing. Our space camp is out of this world!

Camp Cost: \$100.00 Includes all meals and trips
