

# PARTNERSHIP MIDDLE SCHOOL

## Virtual Learning

2020-2021

Welcome Students and Families!

We are so excited to have you learning with us virtually this year. We want to thank everyone in advance for your support, patience, flexibility, and understanding during this time, especially as we embark on a new journey—Virtual Learning!

- Students will receive core (ELA, Math, Science, History, and Cyber Foundations 2) instruction and electives through our Learning Management System, Canvas.
- Students will zoom in to class each day with one teacher at their listed class time (see schedule below). The remainder of the week, they should log-in each day to see assignments and instructions from their teachers.
- Students will need to complete all assignments and submit these as directed by their teachers.
- Teachers will be available to monitor and respond to students on Tuesdays and parents on Thursdays regarding questions about assignments and instructional material.
- We will keep you informed, as changes occur.
- For additional support, visit the district virtual learning guide at <https://www.starkvillesd.com/virtual>
